Do You Have Sports Gear You Dont Use?

The Rotary Club of Nedlands is collecting quality, second hand football and softball equipment, uniforms, boots and socks.

If you have any items to donate, please drop them off on any Sunday morning between 7am and 11.30am at the Rotary Club of Nedland's Swapmart located at the lower level car park, Broadway Fair Shopping Centre (enter off Fairway) or call Ian Hobson on 0407 421 185 to arrange collection.

The Project

The Rotary Club of Nedlands is supporting youth workers in the Shire of Ngaanyatjaraku who are developing a football and softball program for remote communities.

The youth workers utilise sport and recreation as the 'vehicle' to deliver activities and programs which divert the 'high risk' youth of these remote aboriginal communities into positive lifestyle choices. As part of this program, they incorporate school attendance, continual training and good behaviour as a means to achieve incentives to attend special sporting events. Their budget is limited so any quality equipment is gratefully accepted.
